

Dave Nelsen  
President  
Dialog Consulting Group

Dialog Consulting Group is a boutique consulting firm that has helped more than 50 organizations develop strategies to enhance the conversations with their most important internal and external customers using proven social networking, social media and mobile communication tools.

Dave has more than 30 years of telecom experience and has been at the leading edge of the social media revolution since founding TalkShoe in early 2005. He's been recognized as Ernst & Young Entrepreneur of the Year, as Tech Council CEO of the Year and as Vistage Speaker of the Year.
